Gatewood Rink Approved At Special Council Meeting

The special meeting of town council November 5 voted 6-0 in favor of Councillor Bakker's motion to sign the contract with B. J. Graham Contracting Limited for the construction of the Gatewood Rink building. Councillor Lukay was absent.

"We've just spent \$20,000 for studies," said Coun. de Bruin - "we can build something for the residents!"

A memo to council from Parks Superintendent John Beedle on Oct. 5 advised that tenders had been received, and since that date there has been discussion on the project, which came in at roughly \$30 per square foot for a total of \$30,237 which does not include servicing.

At the October 15 meeting Councillor Lukay, noting that there was nothing extraordinary in the plans - nothing extra, voiced his concern at the high cost and said he could not support the project. Councillors Hudson and Bakker felt that the costs were in line with existing rates and to delay the project would mean higher costs down the road. That meeting

authorized the rink to be built, with water, sewer and gas installed from debenture borrowings and the balance to be financed from Capital Expenditure of Capital Surplus. Staff was requested to work with the contractor to reach a lower price and that tenders for rink lighting be called for under new specifications.

Architect Mr. Scott was asked to attend the Nov. 5 meeting after Mr. Beedle was unsuccessful in arranging any significant cost reduction. Although the staff agreed to most of the contractors suggestions on savings through changes in materials used, the saving was not upwards of \$3,000 as was hoped, but only \$1,200.

Mr. Scott said "We are also concerned that the price is where it is - in the last four weeks it is just unbelievable what prices are coming in." He stated that

Department of Public Works projects for concrete block buildings such as the Gatewood rink were now costing \$46 per square foot.

Councillor Hudson was concerned with some of the proposed changes in materials and did not think a saving of \$1,200 was worth it, in the long range.

Local Teacher Named As Teacher of the Year

A highlight of the 67th annual banquet at the Alberta School Trustees Association, held November 4 to 7 at the Calgary Inn, was the naming of the ASTA Teacher of the Year award winner, and local delegates to the convention were happy to learn that a teacher at Sir Alexander Mackenzie School, Miss Rose Bene, was honored. Although the award was for her work in Fort McMurray last year, School District #6 in St. Albert submitted her name in nomination for the award.

In presenting Miss Bene with an inscribed plaque and gold watch, Mr. Harold Gunderson, president of the ASTA gave the following citation:

Miss Bene, who began teaching only last year, has an outstanding scholastic record to support her highly commended evaluation as a teacher of marked capability. A graduate of the University of Alberta, she received her B.Sc., with distinction, won the Samuel J. McCoppen Scholarship, the City of Calgary Scholarship, Province of Alberta grants, and the Queen Elizabeth Scholarship during her three years of university.

She received her secondary education in Calgary, winning there scholastic honors which included first class honors in the Calgary Masonic Bursary, Province of Alberta grant, and a scholarship to study dramatics at the University of Calgary.

Miss Bene's interests are many, and include drama, sports, dance and others. Her teaching experience goes back for quite a few years, being a Sunday School teacher for four years and

Chamber of Commerce Plan Citizen of the Year Banquet

Forty people attended the luncheon meeting of the St. Albert and District Chamber of Commerce Tuesday at the St. Albert Inn.

President Harry Cochran had some suggested dates for the Citizen of the Year banquet and dance and by unanimous choice Friday, November 30 was set for the biggest annual social function of the Chamber, combined with an important project.

The evening will begin with cocktails at 6:30, followed

by dinner at 7:30, the Award program and concluding with dancing.

In response to a number of calls Chairman Doreen Grice has extended the nomination deadline for the 1974 Citizen of the Year to Saturday, November 17 at 6 p.m. Organizations and individuals are asked to complete their written nominations, giving pertinent information on their candidate and get them to Doreen at 5 Gladstone Crescent by

Two Fires This Week

Fire Chief Fred Tetarenko reported two serious fires this week. The first fire broke out after an explosion in a camper at the home of Mr. and Mrs. Letourneau of 30 Sheridan Drive. Mrs. Letourneau had just lighted a propane heater and stove when the explosion took place, although she was outside of the camper at the time, unfortunately she received burns and was taken

to the Sturgeon General Hospital for treatment.

The second fire occurred at 10:45 a.m. November 10. Mrs. Ledgerwood of 21 Burnham Place was looking for her son's hockey equipment when a skate accidentally fell on to the top of a butane tank, puncturing it and a leakage occurred causing a fire. The estimate of damage caused by the fire was \$25,000.

Dist. hunter finds unusual artifact

While hunting on Castle Mountain two weeks ago, Mr. Albert Lesburg found what looks like an axe head except that the hole is not in the right place for use as an axe. On each side the stone axe head bears five grooves in chevron design.

The people at the Provincial Museum in Edmonton

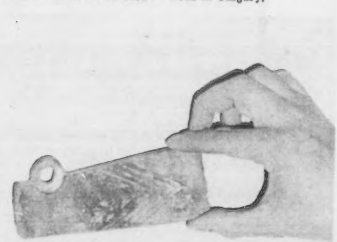

are unable to identify the object or place its age too precisely. However, paint samples indicated that it was 200, or possibly 300 years old. They thought they could learn more about the date it was fashioned if they broke up the light rock from which it was made, but Mr. Lesburg wasn't having that! They were able to tell him that it had been hand worked, and that they didn't think it was a weapon - more probably a novelty, perhaps made by Indian people to be worn on a belt.

The museum staff suggested Mr. Lesburg contact Dr. Read in Calgary, who has been in charge of archaeology work in the area.

Albert found the axe head quite by accident. Climbing Castle Mountain in search of game he sat down to rest

about 3 miles west of the B.C. border and eight miles inside the Montana border.

The Lesburgs are keenly interested in learning more about the unusual axe head and would appreciate hearing from anyone who can shed any light on it. They plan also to show it to Dr. Read in Calgary.

Albert Lesburg is interested in learning all he can about this unusual axe head, fashioned from light rock which he found during a hunting trip on a game trail on Castle Mountain. Provincial Museum staff believe it is Indian workmanship, and 200 - 300 years old, or more. It measures 5 1/2 inches long and 2 1/8 inches at blade edge.

Hospital gets big cheque from ladies auxiliary

By Sheila Cooper
\$3,300 was the total amount of two cheques presented to Cliff Keyes, hospital administrator, on Monday night at the Sturgeon General Hospital Auxiliary meeting. The cheques were presented by Shirley Mc-

Quitty and Marie Sharpe and will be used to buy a Heart defibrillator for the emergency department.

The gals from the auxiliary have had a very busy and successful year raising funds. The chief source of income is the very popular gift shop, which is located in the main foyer of the hospital. As well as stocking the usual merchandise found in gift shops it carries a good selection of home made handicrafts.

Other means of fund raising have been festivals, the annual Spring Ball and the Next-to-New sale. The full amount these energetic gals have donated this year is \$4,580 for Sturgeon General.

the new deadline. Citizen of the Year Awards to date have been to Dr. Wm. Cuts, Lorraine Moore, Marcel de Champlain, Father Ubaldo Duchesneau and the current first citizen, Ed Savoie.

Reporting briefly on the year's activities, President Cochrane stated it had been a dismal year for the Chamber - due to lack of support and enthusiasm by the business community. Following his hard hitting pep talk, Mr. Cochrane suggested that the time may have come when the Chamber should engage a full time or part time secretary, with office and telephone.

Following much discussion a motion was passed that the president and two past presidents, Gerry Belke and Ernie Jamison, canvass the business people and come up with a slate of officers for the coming year. They were asked to bring a report to the next luncheon meeting on December 14.

St. Albert's new administrator, Mr. Robert Byron, was introduced by Mayor Gibbon. Mr. Byron was the first president of the Whitehorse Chamber and spoke briefly, expressing the view that an active Chamber is an asset to a town.

Solemn & Historic Marked Remembrance Day

A good number of local citizens attended the Sunday morning Remembrance Day Parade and Service at the Cenotaph. Comrade Jim Dobbie was Parade Marshal, conducting assembly at Grandin Park, the march to the cenotaph and the 11:30 March Past following the service, when Major A. R. Gebauer of 20th Field Artillery took the salute.

Comrade Rudy Schirbar was master of ceremonies for the Memorial Service, opened with O'Canada and the Last Post by bugler Cameron Willis. The 11 o'clock gun salute was fired for the 20th Field Regiment by W/O Dave Atkinson. Following Reveille by the bugler a gun salute marked the end of the traditional two-minute silence. The hymn "Abide With Me" was led by Mrs. J. Dobbie.

Reverend Len Musto led in prayer, followed by the laying of the wreaths, with Lament by Piper R. D. G. Simpson. Mrs. Maude Pettier as Silver Cross Mother laid the first wreath, followed by MLA Ernie Jamison with Provincial wreath, Mayor Ray Gibbon for the Town of St. Albert, Percy Rossiter for Provincial Command, President Denny Taylor for the St. Albert Branch, Royal Canadian Legion. President June Kandel for the Ladies Auxiliary and various organizations and individuals, including some young people. The singing of the National anthem con-

Percy has been a faithful participant in the St. Albert Remembrance Day observances for many years. The Vigil Guard and Colour Party stand at the four corners of the Cenotaph.

cluded the service. Representatives of the RCMP, Sea Cadets, 180 Army Cadet Corps and 533 Squadron, Royal Canadian Air Cadets formed the Vigil Guard at the Cenotaph, and participating units also included the service clubs of St. Albert and the Boy Scouts. A reception followed at the Legion Hall, after which a number of Legion and Auxiliary members, together

with a group of military representatives visited the Edmonton Legion Branches, 700 Wing, Griesbach, the Army, Navy and Airforce Club and Namao C.F.R. They were accompanied by the Legion Pipe Band who were warmly received and indeed had a standing ovation at the Kingsway Legion, looking very smart in their kilts. The band also had a wee Scottish dancer in attendance.

Craft Guild Sale Coming

Looking for something unique to give this year for Christmas? Looking for something Canadian? Look no further.

St. Albert Arts and Crafts Society are planning their pre-Christmas sale. This year they are extending their annual pottery sale to two days, starting on Friday, November 30 when the sale will be held at Leo Nickerson School starting at 7 p.m. Items for sale will include mugs, casseroles, pendants etc. and will be priced from 50 cents and up.

Saturday morning sees a

new location for the sale, this time in the Mall at Grandin Shoppers Park starting at 9 a.m. Local artists will be displaying and selling their hand-crafts including pottery, painting, weaving, batik, leatherwork and metal sculpture.

Reporter joins Gazette staff

Sheila Cooper of Fenwick Crescent is a new addition to the Gazette staff this week. She will report on activities of St. Albert women's organizations and social events, and will also handle some special feature articles from time to time.

Sheila and her husband Raymond and their family have lived in St. Albert for six years, formerly in Sturgeon Heights district. She is active in the Womens Auxiliary to the Sturgeon General Hospital and is currently serving as vice president of the Auxiliary.

We welcome Sheila to our staff and feel sure she will receive the co-operation of the residents as she begins her new job.

LETTERS to the Editor

Defends sportsmen

The Editor:
The anonymous author of the poem "In Memoriam" given prominence in your November 7th issue writes with a poison pen. There is no way that I condone the shooting of the horse shown in the picture nor any irresponsible action with a firearm. But the suggestion by the poem's author that hunters should be completely banned because "next, you could be the one" is about as intelligent as abolishing driving because of a hit and run fatality.

This year there are 175,000 licensed hunters in Alberta. Just as in any segment of society you can be assured that a few out of that number will disregard the hunting regulations as well as private property. I don't intend to alibi for those who give hunters a bad name, but I will defend the legitimate sportsmen. You can bet that the person responsible for the shot horse is not a sportsman; that was an outright act of vandalism. But it reflects on all hunters because it was vandalism with a gun. It would be interesting to know what the guilty party will pay in fines. Most likely the minimum which wouldn't come close to the value of the destroyed animal, let alone be a deterrent for others.

For several years I have been active in the Alberta Fish and Game attempting to put pressure on the Alberta Government to pass legislation requiring that all hunters take the Alberta Hunter Training course. For three years this was asked for but no legislation was enacted. For the last three years the Alberta Fish and Game Association asked only for the course be re-

quired for new hunters and those convicted of an offence, but still no legislation has been enacted. On the positive side the government did produce legislation to create a livestock indemnity fund and a wildlife crop damage fund when asked to do so by the Alberta Fish and Game. These funds come out of the sale of hunting licenses. The owner of the horse in your picture should apply for compensation under the livestock fund. This will uncover the frustration and heartache but it should cover the actual value of the animal.

It is interesting that 67 per cent of those convicted of offenses under the Wildlife Act during 1972 were from rural areas. This fact has been substantiated by the director of the Fish and Wildlife Division of the Department of Lands and Forests. Yet the rural community is quick to criticize the hunters who come from urban areas. Landowners have a legitimate complaint when hunters fail to ask permission before entering on private land. There is no excuse for this type of conduct.

All members of society have a moral obligation to report acts of vandalism to the proper authorities. Unfortunately many landowners who suffer acts of vandalism fail to report the incident. One of the best ways

of reducing senseless acts of destruction is to report incidents early and accurately. Magistrates and judges could help by imposing stiffer fines on those convicted of offenses.

D. J. Hayden,

Snowmobilers please!

The Editor:
Please note snowmobile operators.

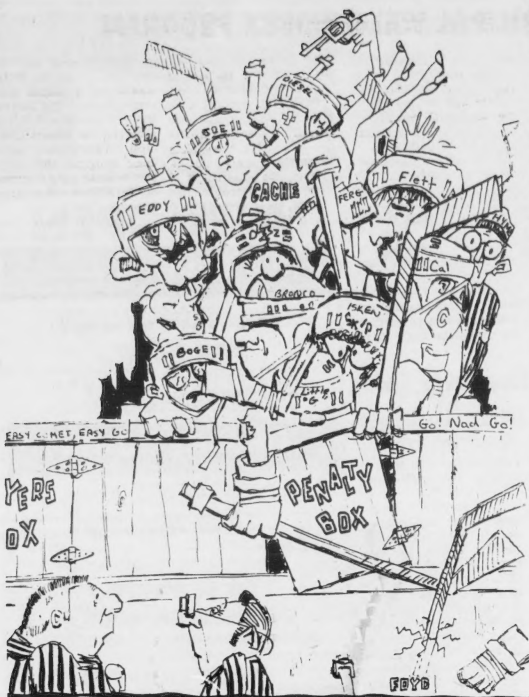

Due to wet weather much of the harvesting of grain has not been completed in our rural area.

Loss to unharvested crops through driving snowmobiles over swaths would cause severe damage to same.

We request all snowmobilers when driving machines in rural areas to obtain permission from owners of land before entering. In this way they can be informed of locations of unharvested crops so as not to damage them.

Failure to do this will give us no alternative but to enlist the services of local law enforcement officers to restrict use of snowmobiles. Attention to this will be appreciated.

Secretary,
St. Albert Farm Union Local

BETTER CALL THE GOALKEEPERS TO CENTRE ICE FOR A FACEOFF...

the Gazette REFLECTS

Congratulations

to the Edmonton Judge who sentenced four persons to 10 days in jail for refusing to stand as he entered the court room, on a contempt of court charge.

By remaining seated it may be that the four persons were determined to make the point that since they are "as good as a judge," why should they stand.

By sentencing them the judge made a more important point. Standing indicates the respect of everyone in the court room - not for a man - but for what the man represents. He represents justice, supported by the laws of Canada, for every individual. Many men and women struggled - over many hundreds of years - many suffered and died in the struggle for this concept.

And though the administration of justice may be imperfect, because men and women are imperfect, the idea and the objective of every court to dispense justice deserves the respect of every person. Without that respect the concept of justice for every individual could fail.

The absolute least that people in a court room can do in the name of justice is to stand when the man representing justice enters a court room.

The attitude of young men and women on Remembrance Day services is another case in point. For too many of them ignore the principle behind these services. Perhaps they are not sufficiently grounded in the history of mankind. Parents and educators and adults involved in working with young people might ponder how to make clear to them the basic respect for men and women which is inherent in Remembrance Day.

Neither do they really understand the role of the monarchy in the Canadian system of democratic government. A knowledge of history is again needed and principles of justice are again involved.

Snowmobiles crop damage

Dr. Hugh Horner, Alberta Agriculture Minister, says farmers adjacent to urban areas are reporting crop damage resulting from snowmobile use in their grain fields.

The minister urges all snowmobilers to check with landowners before using their snowmobiles on private land.

Protests pony poem

The Editor:

Some hunters are good and some are bad, but same about farmers could be said. Yet lately, everytime something is shot the licensed hunter is put on the spot, even though all sorts of other guys run around armed with their guns and knives. Decent hunters are constantly blamed for shots by others, and thus are defamed. If there's no proof for such accusation, let's end it there and stop defamation.

While holding the office of vice-president of the St. Albert Fish and Game Association, I was instrumental in forming the first Hunter-Farmer Relations Committee in any Fish and Game Association in Alberta, in the St. Albert Club, nominating Walter Frank as first Farmer-Hunter Relations Chairman at that time.)

I am quite upset about constant efforts by others aimed at destroying the good

will of good farmer hunter relations he had envisaged, these efforts include the closing of Crown Land for Legitimate Hunting within the County of Sturgeon recently, and the relentless unfounded claims by which some land owners blame hunters for all illegal shooting that goes on.

Anrim Zimmer,
8 Seymore Cresc.

EDITOR'S NOTE: In response to the picture and short poem about the pony shot by a hunter, carried in the Gazette last week, Mr. Zimmer wrote a very long poem, too long for this column, which put his case very well. Only the last stanza is printed above. Unfortunately last week the name of the writer of the poem on the death of the pony was cut from the bottom of the copy when the page was made up. It was signed as follows: J & B Fernhout, R. R. #1, St. Albert.

Farther Afield Government spending mounts on 3 levels

A report by Monica Townson in the Canadian paper, Financial Times, November 21 issue states that "government spending, now at 40 per cent of our gross national product, comes close to matching spending levels of European governments such as Sweden."

The report notes that Unemployment Insurance has to pay out considerably more benefits this year: in 1972 - \$1,872 million. For the first six months of 1973 - \$1,197 million.

Yet Jobs go begging in business and industry. "But the biggest cash-gulping department of the Federal government," says the Times report, "is Health and Welfare - now asking for \$217 million extra to pay a \$12 family allowance. Family allowances are now estimated to cost \$24 million - 40 per cent more than at budget time." Mr. Turner's budget also needs \$159 million just to pay back increased interest on public debt.

Mr. Keith Rapley, president of the Canadian Manufacturers Association wonders "if the Canadian people realize that spending of three levels of government now consumes 49 per cent of the National Income! And if we continue this course the three levels will take 62 per cent by 1980."

Some economists on this continent are saying they fear a severe repression throughout the highly developed countries in the western world. They have urged governments to lead the way in reducing expenditure as a measure to control inflation and protect people against such a recession. Other economists favour large government spending.

A dilemma for management in industry and business and for government representatives is that they cannot rely on the experts to solve problems, because the experts do not agree.

On the matter of increased government spending it may be that the best thing for people to remember is "There's no such thing as a free lunch."

MUNICIPAL WATERWORKS PROGRAM

The position paper on the Alberta Municipal Waterworks Assistance Program was released recently by the Alberta Department of the Environment.

In essence, the position paper acknowledges the province's commitment to a program of balanced growth in Alberta and couples this concept with the theory that a supply of water is the essential utility that must be provided in every community.

It is in view of those accepted facts that the province unveiled its position paper on the assistance program for waterworks systems, keeping in mind the heavy financial burden such systems impose on municipalities.

According to the position paper, the Alberta Government Waterworks Program will provide financial assistance for the construction of a supply of water, such as wells, small dams etc. Funds will also be made available for raw water reservoirs, water treatment plants and water pump stations. Financial assistance is also available for the construction of water transmission lines up to but not including any portion of the distribution system, also for the construction of clear water storage reservoirs and water towers.

To be eligible for assistance the existing capital debt must exceed or equal \$75 per capita. Any community with an existing per capita capital debt of less than this amount will be required to be financially responsible for that portion of the new work capital costs up to the equivalent of \$75

per capita. To those municipalities that have met this requirement, financial assistance will be provided by the provincial government to a maximum amount equivalent to an expenditure of \$150 per capita. This assistance will be extended on the basis of half grant and half loan. The loan shall be repaid over 20 years at about 7 3/4 per cent.

The government of Canada has entered into a co-operative agreement with the province for the undertaking of a five-year financial assistance program in the construction of water facilities for specific centres in the province that are assuming the role of Agricultural Service Centre.

In the case of small communities, where it is deemed beyond its financial capacities to provide a complete conventional waterworks system, the government of Alberta is prepared to offer a grant, not to exceed \$2,500 toward the cost of constructing a community waterworks facility and shall accept the responsibility for its implementation and supervision of design and construction. Where the works consist of a dugout constructed under the government of Canada P.F.R.A. program, the Alberta Municipal Waterworks Assistance Program shall apply only to those costs in excess of the \$550 P.F.R.A. grant money.

A total of 71 Alberta communities are expected to participate during the next five years in one of the three programs available.

Concert Band To Perform Here Fine

St. Albert music lovers will have the opportunity to hear the outstanding Red Concert Band, of the Cosmopolitan Club of Edmonton, who will present a concert on Monday, Nov. 19 at Vital Grandin School.

Under the direction of Mr. Harry Pinchin, the band is appearing in St. Albert as a contribution to the Lions Community Band.

Harry Pinchin has been music director and conductor of the Cosmopolitan Music Program since 1965.

He has been a member of the Calgary Philharmonic Orchestra, the Edmonton Symphony Orchestra and various theatre and opera orchestras. He was Founder and music director of the Gilbert and Sullivan Opera Company of Calgary and president and assistant music director of the Musical Theatre of Calgary.

Mr. Pinchin is a member of the Tommy Banks Orchestra, performing regularly on CBC Radio and Television.

The Red Band is very versatile. A treat is in store for those who have possibly never heard concert band music, with selections such as March-Senor, Senor, Rossini's overture -- Italian in Algiers, Clarinet Allegro; A selection from Howard Cable's Snake Fence Country; Music from the motion picture Ben Hur, and others. The Cosmopolitan Club is pleased to contribute the concert in support of the Lions Band.

The program being presented at Vital Grandin gymnasium on November 19 will also be present at Innisfail on November 21. In addition certain selections will be presented at Christmas concerts.

Community Bands in Canada have become well-known musical institutions. The varied types of music played by these bands enable communities to have music at various events, and have become an important part of community life.

The history of the Cosmopolitan Club of Edmonton Music Program really be-

gan in Fort Saskatchewan, where a group of musicians under the sponsorship of the Fort Saskatchewan Legion provided that community with an outlet for band music. The Band later moved into the School System providing a most worthwhile program for young people but leaving the adult members without any musical involvement. In 1965 the Cosmopolitan Club of Edmonton began its sponsorship of the music program,

with the nucleus being the adult members formerly playing at Fort Saskatchewan. At its inception, the first band had 26 regular members. Since then the music program has grown to a membership of over 200 members ranging from teen-agers to adults. Within the music program are three concert bands, a jazz ensemble as well as their latest venture: The Cosmopolitan Centurion Drum and Bugle Corps.

The Red Band is the club's senior band, and has, over the years presented many concerts in Western Canada. Famous artists who have performed with the band include Knud Holvaldt, First Trumpeter, Royal Danish Symphony Orchestra and Bobby Horriot, Vancouver Musician. The bands are often requested to participate in various demonstrations of music programs for the Government of the Province of Alberta.

Around Town

The fact that there were
an unusual number of chan-
ges in telephones during the
latter part of this year is
creating a problem in as-
sembling information for the
1974 St. Albert Directory.
Secretaries or appropriate
officers of all local clubs
and organizations are re-
quested to telephone Ethel
Ward at the Gazette office,
459-7001 or at her home
459-5591 and provide the
proper numbers for their
club listing. This applies
both to organizations in-
cluded in the 1973 Directory
and organizations who have
been formed since. Every
effort is being made to ensure
that no group is missed and
the co-operation of St. Albert
residents will be much ap-
preciated.

Local artists take note.
If you are interested in dis-
playing or selling your works

Lethbridge. Their two sons
Don and Paul will be re-
maining in St. Albert. Don
is working for Travel Al-
berta and Paul is a student
at Grant MacEwan College.

Jack and Lena Post and
son Vic are enjoying a visit

with an old friend from On-
tario, George Kyryllo, who
is spending a couple of weeks
at their home on Sunnyside
Crescent. The Posts for-
merly lived in the Niagara
peninsula, where they got
to know George, but haven't
seen him for some years.
While here Mr. Kyryllo will
spend a day or two with
friends in Peace River.

Ten more Candy Strippers
are needed at the Sturgeon
General Hospital. Guys and
girls interested in taking
Saturday course please meet
in the hospital lobby at 10
a.m. on Saturday, Novem-

ber 17 for registration and
tour.

Recent visitor to St. Albert
was Dr. Masahiko Kato of
Osaka, Japan. Dr. Kato was
enroute home after lectur-
ing tours at Simon Fraser
University, Nelson, B.C.,
and at the University of Al-
berta. While in St. Albert,
Dr. Kato visited with friends
Ed and Sylvia Walsh.

Comets take Stony 8-1

Doug Bell and Gary Leskow scored two goals each to lead Jasper Auto Parts Comets to a 8-1 win over Stony Plain Eagles Thursday in Stony Plain. The win was the second in a row for the Comets over the Eagles as they won the Edmonton Central Hockey League opener 12-2.

Comets took an early 2-0 lead on goals by Terry Stewart and Leskow before George Smith scored for Stony just before the first period ended. St. Albert dominated play in the last two periods and scored three goals in each. Bell scored his pair in the second period along with a single by Randy Clarke. Harvey Kirkland, Peary Pearson and Leskow scored for Comets in the final period.

Comet goaltender Wally Wensler played a strong game in goal against his former team-mates. Wally played

Eagles were again short of players with only 13 dressing.

Comets took 7 of 13 penalties.

St. Albert's next home game will be this Friday when Barrhead Sabres will be in town.

Sportshop Barons win first league game

A four goal, third period scoring outbreak propelled St. Albert Sportshop Barons to a 6-4 victory Sunday over Westlock.

The win for the midge representative team was the first in league play and followed an earlier 7-1 exhibition win for St. Albert. Both games were played in the Westlock Memorial Centre.

Following an opening period goal by Westlock's Dave Hengel, St. Albert stormed back in the second with two goals by centreman Doug Cinnamon.

Greg Thibert scored from a scramble in front of Westlock's net early in the third period to put St. Albert ahead 3-1. Ron Adkins pulled Westlock to within one goal midway through the last period when he deflected a shot from the point under goalie Ron Bruce.

Defenceman Earl Ewanief rifled a shot into the top right hand corner three minutes later, and St. Albert team captain Darrel Blisten

scored on a 15-foot blast from directly in front with four minutes remaining to give St. Albert a 5-2 lead. Defenceman Chris Hoffart drew an assist on the play and picked up two others in the game.

After Westlock stormed back with two quick goals late in the period, right-winger Gary Ferguson scored on a scramble with a little over a minute remaining to provide the two-goal margin of victory.

Only 10 penalties were called in the game -- all minors.

Teams in the four club league include Westlock, Barrhead, Ardrossan and St. Albert. The league schedule won't be announced until next week.

Playing on the St. Albert team are goalies Brian MacDougall and Ron Bruce; defencemen, Chris Hoffart,

Terry Leddy, Steve Foreman, Wayne Kuzio, John Wells and Earl Ewanief; forwards Darrel Blisten,

Gary Ferguson, Greg Thibert, Doug Cinnamon, Lloyd Olson, Rod Olsen, Tom Parayko, Sandy Millroy, Lorie Loshack and Kirk Ledgerwood. Team coaches are - Doug McConachie, Wayne Stewart and Jim Leddy.

Lancers win opener

On Remembrance Day the Lancers opened the league in Fort Saskatchewan with a 5-1 win. After two periods of lack lustre hockey the Lancers decided to settle down. They broke a two period 1 to 1 tie by scoring four goals in the first 10 minutes of the third period.

With more ice time the Lancers could once again be the power squad in the league. Sunday's pointgetters were Breen Neeser, one goal, two assists; Troy Murray two goals; Pat Poulin

St. Albert Bruins junior hockey club dropped a pair of games over the weekend with a 13-6 thumping Friday and a close 7-6 decision to Sherwood Park Knights Sunday in St. Albert.

Sunday's loss to the Knights could very easily have been a win, had it not been for a butt-ending penalty to Gary Mann early in the third period. Bruins were down 5-4 but were pressing, and on the verge of tying the game up. Mann had the puck taken away by a Knight player and frustration got the best of him, resulting in the butt-ending call. While sitting out the five minutes,

Sherwood Park scored two power play goals for a 7-4 lead.

Bruins fought back on goals by Blair Burgess and Kelly McAvoy late in the game but couldn't find the equalizer.

Both clubs scored a pair in the first period with Bob Wallis and Jim Edwards blanking the light for St. Albert and Stan Ozytko and Jerry Basterash replying for the Knights. Craig Neeser gave Bruins a 3-2 lead early in the second only to have Lance Guse tie it and go ahead 4-3 on Basterash's second goal. Wallis scored his second of the night in

the third for tie, along with Burgess as Avoy.

Bruins took 8 of 15 penalties called by referee Ron Panchyshyn.

In the U of A game the Bruins had a third period lapse and allowed the Bearcats six goals.

Bob Wallis led the Bruins with a pair while Gary Mann, Kelly McAvoy, Perry Whan and Jim Edwards added the others.

Bruins next home game will be Tuesday, Nov. 20 for a game against the Waterloo Mercurys. Game time is 7:30 p.m.

Fire Chiefs win league opener

St. Albert Fire Chiefs won their opening game in the Edmonton Rural Hockey League 11-2 over Westlock in Westlock on Saturday.

Westlock scored the first goal of the game but Chiefs led 3-1 at the close of the first period. It was 6-1 Chiefs at the end of two.

Paul McCann paced Chiefs attack with four goals. Ronnie Sander and Lerry Hubbs each had two and Brian McCann, Dave Fraser and Joe Tworek had one each.

Fire Chiefs also won a pair of exhibition games over the past week, defeating Stony Plain 10-0 in Stony Plain and Fulton Place 10-0 in Kenilworth Arena.

Chiefs led 6-0 after the first period and 9-0 after

the second against Stony Plain.

Graham Brown scored three goals for Fire Chiefs and Kenny Strand had two, Paul McCann, Dave Shipanoff, Larry Sander, Greg Brandenberg and Jimmy Scheibelhofer got the others.

Ron Sander and Shipanoff scored two goals each against Fulton Place with the others going to Scheibelhofer, Paul McCann, Brian McCann, Gilbert Longpre, Fraser and Don Oullette.

Paul McCann and Graham Brown, linemen on Chiefs last year, with Ronnie Sander at centre have

developed into a high-flying threesome for Chiefs. After six games McCann has 12 goals and seven assists, Sander seven goals and seven assists, and Brown five goals and nine assists.

Eight Rollers Qualify For YBA Tournament

St. Albert's Bowlers of the month of October were decided last week when eight local YBA bowlers qualified for the 1974 Bowler of the Year tournament to be held at the Bonnie Doon Lanes in Edmonton next spring.

With a large group of parents, relatives and friends in attendance, the big "bowl-down" was conducted at the Grandin Bowling Lanes as 24 youngsters vied for honours.

Closest competition was in the junior girls division where Kim Devine and Diane Vincent ended in a dead heat, each with 70 pins above their usual average. In a special roll-off the following day, Diane laid claim to the crown, Doug Stenue was first in the junior boys category with Billy Craig runner-up.

Debbie Lopez and Trent Jakubec topped the peewee girls and boys competition. Brenda Vincent and Kevin Laliberte were peewee se-

cond-placers.

Bantam boy qualifier John Edwards nosed out Mike Mallinson, although Mike's 243 second game score made him the high bowler of the day. Alice Grosenick had little trouble capturing the bantam girls event.

Jim Hentig led senior bowlers with a single game tally of 198 but Ron Hannistad fought all challengers to take the senior boys award while Garth Roberts was second. Senior girl tournament Kim Hittman qualified for the spring bowling fling,

31 pins ahead of Susan Schuchard.

Special thanks go to score keepers Mr. and Mrs. Henke, Mrs. Lopez, Mrs. Hart, Mrs. Edwards, and Mrs. Hy-mers and a lunch committee, composed of mothers of the regular league bowlers who served a light lunch to all bowlers.

League play continues each Saturday and Thursday as the youth leagues attempt to qualify for the next round of action set for Saturday, December 1 at 5:30 p.m.

Lister leads juveniles

A four goal performance by Matt Lister paced the double B juvenile team to a 7-3 exhibition win over the double BB midgets Friday night in St. Albert. The game was close until the final period when the juveniles scored three times to break open a 4-3 game.

Mike Davids, Dave Grice and Gary Bruens scored the other goals for the winners while Kirk Ledgerwood, Darrel Bilsten and Gary Ferguson replied for the midgets.

Commercial League

St. Albert Rogers/Grandin Esso behind the three goal performance of Gerry Welsner scored an easy 10-2 win over Kinsmen Warlords last Thursday. Ted Rogers and D. Rurka chipped in with

a pair while Dan Chugg, Jake Joly and B. Barry added singles. Terry Moore scored both Warlord goals.

K of C won their second start of the season with a close 5-4 third period win over Belcourt. Power Kegs Friday night, Peter Van Brabant led the way with a four goal performance including two third period goals. Ed Rechio added the other K of C goal while N. Shonhoffer and Bill Mills scored two each for Belcourt.

Upcoming league games have Esso and K of C on Thursday while Power Kegs and Gulf tangle Friday. All games start at 10:30 p.m.

St. Albert Tankers scored a close 4-2 win over Kinsmen Warlords Monday night. Ca' Swain scored with two, Gil Gireau and Daryl Guiber each with one for the Tankers, while Norm Tate and Gord Hallét scored for the Kinsmen.

Eagles take Barrhead tournament

Westlock Eagles scored a close 4-3 win over Wintertown Tomahawks in the final game Sunday to take top money in the annual Barrhead Sabres hockey tournament last weekend.

Westlock opened the tournament with a 4-3 overtime win over Drayton Valley Rebels and won their semi-final with a 9-5 win over Edmonton Turbo Oilers. Eagles have also scored three straight wins in Edmonton Central Hockey League play.

R.C.M.P. thanks Chamber

Cochrane at the library last week.

Sgt. Vern Rheault of the St. Albert RCMP detachment presents a plaque of appreciation on behalf of the members of the detachment, to President Harry Cochrane of the St. Albert and District Chamber of Commerce. The handsome wall plaque will hang in St. Albert Library.

At their kick-off meeting the first of the year, the Chamber of Commerce held a special function for members of the St. Albert RCMP detachment and their wives. In the St. Albert Roman Catholic Church hall. When it was over the men wanted to say thank you to the Chamber, and decided that a wall plaque would be a way to do so in a lasting fashion.

A wooden plaque bearing the RCMP insignia was ordered and inscribed as follows: "To the St. Albert and District Chamber of Commerce, In Appreciation, from members of St. Albert R.C.M.P. Detachment."

President Harry Cochrane approached the Library people to see if the plaque

might be hung in the library, in the absence of a permanent meeting place for the Chamber. The arrangement was agreed upon, and Sgt. Vern Rheault, who had been temporarily in charge of the detachment at the beginning of the year, made a formal presentation to President

Rural areas opt for city service

Deadline for the return of questionnaires on Extended Area telephone service was November 9, and the returns are now in. In January 1974 a ballot will be taken of all subscribers, at which time the revised monthly charge for providing this extra service will be known.

Results in Sturgeon exchange areas of the questionnaires are as follows: 256 Exchange - Morinville had 873 questionnaires mailed, and a return of 565, or 65 per cent. Returns showed 520 favouring Edmonton for extended service, or 92 per cent. Three for Legal, two each for Westlock and Onoway, and one each for Stony Plain, Clyde and Spruce Grove. Twenty-three questionnaires listed multiple choices, so could not be broken down and 12 forms wanted no free calling and percentage of two.

598 Exchange in Legal had 522 forms mailed and a return of 334, a 64 per cent return. Requests for Edmonton numbered 255 or 76 per cent of the return. 49 requested Westlock, two for

Morinville and 15 requested no free calling.

932 Exchange - Onoway had 932 questionnaires mailed, and 576 returned, or 55 per cent. Of these 369

NDP OFFICERS HEAR REPORT ON COUNCIL

Mrs. B. Sumann, local delegate to the recent NDP Provincial Council meeting, delivered a report to an executive meeting of the St. Albert Constituency Association of the NDP on Tuesday, October 30.

The council, meeting in Lethbridge, October 13 and 14, dealt with a number of public issues, including the Federal Government's export tax on petroleum, the "Syncrude" project, election reform, and decentralization of government and industry in Alberta.

The officers of the St. Albert constituency agreed that several of these issues should be given an airing in public meetings in this constituency in the coming months. They went on to draft plans for a nominating convention in January, to ensure that the party will be prepared for the possibility of a provincial election in 1974.

Take advantage of the handicapped.

If you hire people. And want capable, productive, committed employees, you should be hiring the handicapped worker.

Firstly, the word "handicapped" is misleading. When a worker is disabled he has many skills remaining that maximize his ability and are not affected by his disability.

In that sense, he is not handicapped at all. He is an equal competitor at his skill. And he asks no favors

Most disabled people have developed new skills. They show incredibly high standards of productivity. They appreciate their jobs. And they are stable and reliable. They have a little extra to prove. All they ask for is the chance.

A good businessman can spot a solid investment. Hiring the disabled is smart business. Our case histories prove this. Contact our Vocational Rehabilitation Department and see what we have to offer. Then take advantage of it.

7-UP/CRUSH APPOINTMENT

JACK RUTHERFORD

Peter Kalns, President of Gray Beverage (Alberta) Limited, announces the appointment of Jack A. Rutherford as Marketing Manager.

Mr. Rutherford, a well-known native of Edmonton, has spent the past 10 years in the beverage industry. He is returning to Edmonton from Vancouver, where he was General Sales Manager with a national brewing company.

Gray Beverage (Alberta) Limited, with its plant in Edmonton, is the franchised bottler of 7-Up and Crush products in Northern Alberta. It is a subsidiary of Gray Beverage Company Limited of Vancouver. This firm is one of the largest independent Canadian-owned soft drink bottling operations in Canada.

The appointment is in line with Gray Beverage's aggressive approach to marketing and customer service, which is an integral part of the company's policy.

Louisa Belcourt dies at 95 years

Prayer services were held at 9 p.m. Thursday evening for Mrs. Louisa Belcourt who died on November 7th at 95 years. Father Colla Lovangie conducted the prayers and Mrs. Bertha Kennedy played the organ and sang.

Father Jacques Joly conducted funeral services in St. Albert Roman Catholic Church on November 9 at 10:30 a.m. with Mrs. Willis at the organ and Doris

Teller as soloist.

Mrs. Belcourt is survived by sons Henry and Albert of St. Albert, Ernest Belcourt of Tofield, Alberta; daughters Jennie Lavender of Edmonton and Sally Hayes of the United States; 31 grandchildren and 21 great grandchildren, and one sister - Mrs. Amelia Cunningham. She was predeceased by two sons of her first marriage, Fred Fraser and Willie Fraser, both of whom passed

away in 1971.

Louisa Belcourt was born in St. Albert on August 10, 1878, the daughter of John and Sophie Roland who came to St. Albert in 1866. Her father had settled on a river lot in St. Albert Settlement after coming here from Fort Pitt, Saskatchewan in 1866.

Mrs. Belcourt's grandfather, William Rowland, came from Edinburgh, Scotland as a young man and married a Betsy Valentine at Norway House. They had a family of 14. Her maternal grandfather was Louis Chateline who came west from Montreal, and Mr. and

Mrs. Chateline were frequently the hosts of Father Lacombe who stayed in their home whenever he was in the Norway House area.

As a young woman Mrs. Belcourt worked for the Hudson's Bay Company at Lac Ste. Anne where she met her first husband, George Fraser. There were two children born to this marriage and Mr. Fraser died in 1904. She was remarried in 1907 to John Belcourt.

Mrs. Belcourt was widely known in St. Albert for her many acts of kindness and assistance to those in need in the early days.

Legion sponsors fine evening

Those attending the Remembrance Day banquet and dance put on by the St. Albert Branch of the Royal Canadian Legion report a fine evening at the Sands Hotel.

Head table guests at the banquet were President Denay Taylor, Mayor Ray Gibson and his wife Ellen, Brian O'Kell and his wife Bridget, Mrs. Maude Potter, Silver Cross mother and her son Jim, June Kendel, president of the Ladies Auxiliary, and Ole Kendel, master of ceremonies Vern Tompkins and Mrs. Tompkins and guest speaker, Mr. Michael Morris and his wife Phyllis.

Highlights of the program were the fine address by Mr. Morris and the presentation by Mrs. Kendel of \$1,000 for the Legion Building Fund. President Taylor accepted the cheque and expressed the deep appreciation of the Legion for this outstanding effort by the Auxiliary. The building fund now exceeds \$20,000.

Mr. Morris drew the tickets on the Remembrance Day raffle and Mrs. M. J. Curial of R.R. #8 Edmonton won the big prize of \$1,000. Second prize, \$100 went to Mr. R. G. Hurst of 9320 - 132 Avenue, Edmonton and \$50 was won by John Hulman of 13340 - 110 Ave.

Winners of \$10 cash prizes were Dave Davis and Doug Rozander of St. Albert, H. Jansen, M. Kilton and Joyce Serool of Edmonton.

An evening of dancing followed.

Belmont Credit Union Opens In St. Albert

Mr. Armand Tessier, manager of Belmont Credit Union Branch on the Fort Trail and Mr. Loren Bourget who has been appointed manager of the new St. Albert office, feel that there is good potential for the office here. It will serve the town and surrounding rural area as well as north-east Edmonton, they said.

The doors opened last Thursday of the firm's premises in the Sturgeon Shop-

ping Plaza, and Mr. Tessier who is a St. Albert resident, will assist Mr. Bourget in launching the new business.

St. Albert is the third office of Belmont Credit Union, following first Fort Trail branch and then Beverly branch. Future plans include a branch in Fort Saskatchewan. At present a new two-storey building close to construction stage in Beverly, which will become the head office, under

general manager Mr. Max Mulek.

Mr. Bourget has just recently started with Belmont Credit Union, after two years with the Edmonton Savings and Credit Union as manager of their Southgate branch. Prior to that he was with Western Savings and Credit Union in Swift Current for over six years.

An official opening of the new branch is planned next month.

Library makes plans for young Canada Week

Each year libraries across Canada set aside a week in which special attention is turned to children and their relationship with books. The importance of that relationship cannot be overstressed. The most demanding task that society as a whole has to fulfill is the realization of the potential that lies in its children. One of the best means of developing that potential is through the use of books. Books hold the key to the past, the present, and the future.

This year the St. Albert Public Library has planned a number of special activities at the library to celebrate Young Canada's Book Week from November 15 to 22. All boys and girls in the town are invited to enter the Story Writing Contest.

Forms on which to write your story are available at the library and all stories must be turned in at the library by Saturday, November 17. The best stories will be published in a special book to commemorate the event. Copies will be available free at the library at a future date.

To launch the special week there will be a puppet show on Thursday, November 15 at 4 p.m. at the library at which personal reading diaries will be handed out to all boys and girls to keep track of the books that they read during Book Week 1973. A week later at the same time there will be a puppet show to conclude the special week and everyone present can report on the number of books read during the week. The theme of Young Can-

ada's Book Week this year is "Read On Canada" and a special book list of popular Canadian books has been prepared for the occasion. These and other book lists on boys and girls reading will be available at the library this week.

The library's regular weekly programs will all centre around this year's theme and the library will be appropriately decorated with art by local children. So plan to drop by the library this week and join in the celebrations!!!

Government Is Holding Rapeseed Marketing Poll

By Walter Van de Waite
Director, Alberta Rapeseed Growers Association.

Rapeseed, the "Cinderella Crop" is continuing to grow in volume in Canada. In 1971, an all time record of 5.5 millions acres with a production of 100,000,000 bushels were achieved. Domestic markets for rapeseed are expanding and long term international prospects are good. In addition to the rapeseed processing plant at Lethbridge, new plants are being constructed in the Peace River and at Lloydminster in eastern Alberta.

Marketing is of great importance to buyers, exporters and particularly the growers. With the announcement, that the Federal Government was going to hold a "Rapeseed Marketing Poll," the Alberta Rapeseed Growers Association swung into action on behalf of the producers. In July Mr. Turner, the poll supervisor, appointed by the Federal Government met with the board of directors of the Alberta Rapeseed Growers, to obtain our views

on the poll. These points were made:

- (1) poll be taken in March of 1974.
- (2) An eligible voter be a rapeseed producer that grew rapeseed in two of the last three years.
- (3) Information on each system of marketing be sent to producers
- (4) Economic analysis be made on the alternate marketing systems.
- (5) A 66% vote be required to change the present system.
- (6) Results of the poll be made known.
- (7) That in the event of a close vote, a voluntary pool be established using both systems, where a producer would state in his permit book how he wants his rapeseed marketed, by board or open market, and that he be required to stay with that decision for the crop year.

The producers recommendations were well received and a number of them are being implemented.

POSITION OF THE ALBERTA RAPESEED GROWERS ASSOCIATION

That the producers of the product, rapeseed, must make the decision on how the product should be marketed.

That adequate factual information be supplied to assist the producers to make that decision.

That producers should have an opportunity to consider systems other than the board and open marketing.

Here are the answers to a number of pertinent questions on the Rapeseed poll.

- (1) Who can vote?

All C.W.B. permit book holders whose permit books show acreage seeded to rapeseed in any two of three crop years of 1971-72, 1972-73, 1973-74, also included

are farmers who acquired permit books for the first time and have indicated rapeseed acreage.

(2) What type of ballot?

A ballot with three choices; Open marketing, Canadian Wheat Board marketing and Undecided.

(3) What information will be provided to producers?

Each eligible producer will receive information on (a) Open Marketing system prepared by the Rapeseed Association of Canada. (b) Board Marketing system prepared by the prairie pools. Material to be mailed out in November.

(4) How will the ballots be distributed?

Ballots will be mailed to eligible producers on Dec. 3, 1973. Voters will have until December 14 to mark their ballots and return them by mail.

(5) What majority will be required?

A majority of at least 60 per cent of those who cast their ballot will have to be in favor of a change to the Canadian Wheat Board alternative before such a change to that system would be made.

The Alberta Rapeseed Growers Association urges all rapeseed producers to cast their ballots. It is most important that producers of rapeseed make the decision as to what system should be used to market rapeseed.

Information meetings will be held. Watch for announcement of time and place in your area. Legal Nov. 23, 1:30 p.m.

Be sure to cast your ballot on Rapeseed Marketing Poll. All rapeseed growers are invited to attend the Alberta Rapeseed Growers Convention to be held in Edmonton at the Macdonald Hotel on January 24 - 25, 1974.

of Sunnyside, in 1951 and the couple settled first near the home place of Reg's father, Mr. Lloyd Crozier, moving later to the present family farm at Carbondale.

Keenly interested in hockey, Reg coached in Highway 28 and Edmonton B Minor leagues for many years.

Always active in community activities he was elected councillor of the MD of Sturgeon for Namoos area in 1971 and also served on the Recreation Board of the MD. Reg was a member of Uniform for many years, a member of the Board of Namoos United Church. He belonged to the Northern Alberta Old Timers Association and curled at Lancaster Back Curling Club.

He leaves to mourn his loss besides his loving wife Arlene, one son and daughter in-law, Douglas Clive and Connie of Bon Accord, Alberta and one daughter Janis Arlene at home; his mother, Mrs. Phoebe Crozier of Edmonton; three brothers, Ed, Dave and Clifford, all of Namoos, Alberta and one sister, Mrs. O. (Eleanor) Maitland of Gibbons, Alberta.

Fine Program opens Horse Hill addition

By Peggy Wenzel

A small but enthusiastic crowd gathered in the Horse Hill School gym Saturday afternoon for the official opening ceremonies of the new Community League addition to the school. President Gordon Wenzel of the league acted as chairman, calling first on Mr. Jim Bentley, chairman of the building committee.

Mr. Bentley reminded the audience that a project of this nature is not completed without overcoming difficulties and reviewed the background of the committee's work. He spoke highly of the strong support received from the community at large, noting that a drive for funds had an objective of \$5,000 and raised over \$7,000. But without the aid of the Provincial and Federal grants, the addition could not have been built, he said. Mr. Bentley made mention also of how the first architects drawings had to be changed when it was found the addition couldn't go on the north side as planned, due to a septic disposal unit being found.

Mrs. Margaret Speer of the building committee cut the ribbon, which was fastened across the miniature model of the addition, on stage.

School trustee of Sturgeon Division, Mr. Harold Paul expressed his pleasure at the new facility - and the ever growing use of school

buildings - "Your buildings" - being made by the public. He felt that the present society was experiencing a move back to the original community closeness, present when the first settlers came. He praised the efforts of many people involved with the project.

Mr. Alex Letts, principal, who has been with the school for 13 years said any community has three kinds of people - the enthusiastic worker, the apathetic group and the non-participants, giving credit to the Horse Hill district people who had supported the building project, and inviting parents to take interest in all their children's activities in the school.

Mr. Carl Royan, recreation director for M.D. Sturgeon was pleased with the growth of community recreation programs in Horse Hill and congratulated the community on the fine new addition.

Terry Bocock and Ken McConnell were other platform guests.

Mr. Wenzel mentioned the

work of his father, John Wenzel, an able carpenter who was in charge of the volunteer labor which went into the addition, and whose contribution was very extensive.

Two talented young girls provided a delightful balance to the program, Carol Wray with her songs, under the direction of Marvonne Speer and Wendy Walbank, with piano selections.

Special guests in the audience included Mr. John McDonnell, chairman of Sturgeon School Division and Mrs. McDonnell, and MLA Ernie Jamison and Mrs. Jamison.

Following the program luncheon was served - with a celebration cake counting the serving table, and visitors toured the new addition.

Work began on the project in November 1972 and the facility provides a kitchen, meeting room and storage facilities. It will be used for Cubs and Scouts, girls self improvement programs, social functions, play school and many community events and meetings.

CARD OF THANKS

We wish to say a big thank you to the relatives and friends who made our silver wedding anniversary such a wonderful celebration for us. Your lovely gifts and expressions of good wishes were deeply appreciated, as were the efforts of all those who were responsible for the arrangements.

REPORT FROM GIBBONS

By Ron Coley

Construction has begun on the sewer and water lines in the new subdivision at the south end of Gibbons.

Snow fence has again been set up this year north of the alley for residents of 51st Avenue east of the school.

AGT has been busy for the last couple of weeks putting in the cable and exchange building at the end of main street next to Highway #37, for the new exchange for the residents of Gibbons. This exchange will give the residents private lines.

Congratulations to John and Colleen St. Nicholas on the birth of their son, John Steven, born on October 29, 1973, weighing 6 lbs. 15 oz.

The Gibbons Legion, Branch #226, will be holding bingo every Thursday evening, at 8 p.m., in the Legion Hut. They will be starting on Nov. 15 and the jack pot will be \$70 to start. Everyone is welcome.

GIBBONS 4H LIGHT HORSE CLUB NEWS

The 28th of October saw the closing ceremonies for the end of another successful year.

At their annual wind-up banquet the Gibbons 4H Light

Horse Club had a hearty turn-out of approximately 40 people, who helped themselves to a filling supper consisting of two large turkeys and a pot luck assortment of salads, casseroles and potatoe dishes.

Tracy Hood was the overall winner in the elementary division. Chris Hood was the winner in the Junior division, and in the Intermediate division Sylvia and Susan Bowman won an equal number of events.

In the public speaking events, Debbie Watt was awarded first place and Tracy Hood runner-up in the Junior division. In the Senior division Pat Epp was the first place winner and Bev Epp was runner-up.

Sharon Kish was the winner of the best over-all record book, and Debbie Watt had the best record book for first year members.

The club held their re-organization meeting on November 8 at the Gibbons Sunday School.

Because nobody has come forward and volunteered not to much has been done on the

outdoor rink. I have been mentioning for the last month that volunteer help is needed to finish this rink, nothing has happened. Now I'm asking all you children that want to skate and play hockey this winter to take your fathers by the arm and bring them to the rink. It's up to you if you want to skate and play hockey this winter.

LAST ROUND-UP

The regular meeting was held on November 7, having a small attendance. Gobingo was played.

All members are reminded that they are invited to visit Charles Cansell Hospital, on Nov. 22. Anyone wishing to go are asked to be at the Legion Hut no later than 11:45 a.m. It would be greatly appreciated that any members with cars, help with transportation for other members.

It was unanimously passed, by members present, that a sum of \$25 be donated towards the Recreation Centre. This money coming from the proceeds of the tea and bake sale, held Oct. 13.

Charrois Celebrate Silver Wedding

On October 27, 1973, Mr. and Mrs. Leo Charrois celebrated their silver wedding anniversary. The day of gala events started at four o'clock in St. Emile's Church in Legal. Father Pouliot from Leoville, Sask., Isabelle's brother, had the honor of celebrating the mass. Appropriate hymns were sung by Mrs. L. Montpetit and daughter, Patsy, and six of Isabelle's brothers.

The mass was followed by a smorgasbord banquet at the St. Albert Parish Hall, followed by a dance. The master of ceremonies was Mr. Henri Charrois. Special guests were the bride party of 25 years ago, Irene Chamberlain, Fernande Pouliot, Henri-Paul Fortier, and Armand Pouliot. An anniversary toast to the happy couple was proposed by Mr. John Pouliot, Isa-

belle's brother, from Vancouver, B.C.

Leo and Isabelle were married in St. Jean Baptiste Church in Debden, Sask., on October 26, 1948. They came to live in Legal and have made it their permanent home. Their seven children were able to be present, including their only grandchild, Elise Charrois.

Following an evening of dancing and fun, the guests enjoyed a late lunch.

Out of town guests were from Port Alberni, Vancouver, Prince George, Smithers, B.C. and Falher, Jousgard, Edmonton, Swan Hills, Calgary, Alta., and Regina, St. Louis, Debden, Leoville, Saskatchewan.

Congratulations and best wishes to Mr. and Mrs. Charrois for a continued life of health and happiness.

Shower honours local girl

By Liz McLeod

Miss Sharon Krupa was honored at a miscellaneous shower in Calahoo on October 29 at 8 p.m. before her wedding of November 3.

About 50 relatives, friends and neighbors gathered for the evening of games, visiting and fun, sponsored by her team-mates, the senior

girls ball team of Calahoo, who surprised Sharon with the gift of an electric blanket.

Sharon stayed at her father's farm home in Calahoo and played softball with the girls this past summer.

Seated at the prettily decorated table of honor were besides the bride-to-be, two of her bridesmaids, her sister Marie and friend Karen

and her mother Mrs. John (Kay) Krupa from St. Albert.

Many beautiful and useful gifts were opened and admired by all present and Sharon voiced her appreciation and thanks to all.

Before the games started Sharon and her mother individually went and greeted each and everyone present and expressed their thanks, thus renewing acquaintances and meeting many new neighbors now in our midst.

This most pleasant evening was climaxed with a delicious lunch.

Information sought on Calahoo district

Mrs. Annie Norris, former resident and member of the Calahoo Women's Institute would indeed appreciate help in the project, spearheaded by Mrs. Norris to preserve the history of the area in book form. Information and family pictures and snapshots on early pioneers of the Calahoo, Green Willow and Hayes Crossing district are urgently requested.

The women involved in preparation of this historical account are most anxious that no one be left out, even if all that can be learned is where they came from, legal description of the land, when they left, dates of marriages, deaths etcetera.

Mrs. Norris would be particularly glad to hear from former residents of Calahoo in the 1920's, Mary and Victor Quartermann. It is believed Mary is now a Mrs. Ball and living somewhere in the Edmonton region.

The women have written a great many letters, some of which are as yet unanswered. So anyone who can assist with any information, please get in touch with Mrs. Norris at 73 Saskatchewan Avenue, Devon, Alberta, or Calahoo women - Liz McLeod or Mrs. M. Kerr, or Mary Dalheim Box 262, Onoway, Alberta.

Report From Bon Accord

By Sadie Allen

Organization of the Bon Accord and District Agricultural Society took place in the B.A. Community Centre on Monday, Nov. 5. Elected to the board of directors were - Wes Carleton, Ray Rigney, Earl Mulligan, Art Strawson, Taras Ferbey, Albert Hewitt, Don Bland, Hugh Allen, Jr., Lynda Bland, Stan Kowalski, Archie Jenkins and Dean Lewis. From these, members of the board elected Wes Carleton president, Archie Jenkins - 1st vice-pres. and Earl Mulligan, 2nd vice-pres.

On behalf of the Hon. Dr. Hugh Horner, minister of agriculture, Mr. Wally Klatt district agriculturist for Sturgeon, presented the charter for the newly formed society to president Wes Carleton. Mr. Klatt gave a short talk on the function of the society, pointing out that it is a volunteer society formed for the purpose of bettering the needs of the community along agricultural and recreational lines. We were honored to have Mr. Dan Hollands, MP for Pembina, present for the formation of our society. Mr. Bob Berry, assistant D.A. was also present.

Spruce Ridge Appaloosas, owned and operated by Norma and Ev Bunnell, are pleased to announce the sale of two yearling Appaloosas

AROUND STURGEON

Districts throughout Sturgeon are making great strides in improving community life for all their people through building new central facilities, many of them by way of additions to Camilla School, Riviere Qui Barre's rec. centre and the official opening of the community league addition to Horse Hill School. Sturgeon Heights was a new school planned in advance for such community use. And on Saturday (Nov. 24) the Namao School and Community League invite all Sturgeon people to the official opening of their new addition to Namao School, which is taking the form of a dinner and dance. For tickets at \$10 a couple call 799-3849.

to the Nihon Pony Company of Osaka, Japan. These are the first of the breed to have been shipped to Japan from any country by anyone, and their pedigrees may be traced back to the first Appaloosas registered in Canada many years ago. We understand that Red (Starlight's Galaxy) and Sam (Misty's Grand Finale), will be used as pleasure horses. These two were part of a shipment of 60 horses to leave from Edmonton International Airport by Japan Air Lines, with one stop at Anchorage, Alaska, finally reaching Japan 16 hours later, all horses safe and sound. Norma and Ev are also pleased with this year's horse show results. The most notable was the award of Reserve Grand Champion Mare at the Show of Champions in September of selected horses from the five Appaloosa Clubs of Alberta. Babe's Cricket, bred and raised on Spruce Ridge Ranch was the winner. The ranch promises to be a busy place next spring with the anticipated arrival of 11 foals sired by the great stallion, Go Meyer Jim, shared with another champion presently in the U.S.A., Mighty Tim.

A shower honoring Miss Carol Rigney was held in the B.A. Community Centre on Friday, Nov. 3. Carol's marriage to Mr. Patrick Perpeluk took place on Saturday, Nov. 10.

Organization of the Bon Accord branch of the Roman Catholic Women's Club was held at the home of Mrs. John Pasemko on Wednesday, Nov. 7 with 11 members present. Club executive are - President, Yvonne Pasemko; vice-president Carol Rivet; sec. treas. - Marilyn Carleton; publicity - Rose Ruth; phoning co-ordinator and information - Alma Pearce, 298-2292. The club made plans for a pot luck supper and bazaar to be held in the Gibbons Hall on Friday, Dec. 14, starting time 6 p.m. A Christmas Hamper raffle will be conducted. Two other prizes will be given besides the hamper, one of which will be a fruit cake made by Rose Ruth. Anyone wishing to make donations to the

hamper may contact Yvonne. The next meeting will be held at the home of Margaret Bland on Wednesday, Dec. 5 at 8 p.m. Meetings will be held regularly on the first Wednesday evening of the month.

The senior mens hockey team copped off their first win of the season with a 10-3 win over Fort Saskatchewan Bears in an exhibition game played at the Fort on Sunday, Nov. 11. The club is being re-inforced this year with a number of young players who have moved up from junior ranks.

Late registration for power, figure and learn to skate classes will be accepted. Phone Mrs. Sullivan at 298-2283. Season's skating tickets are \$2 and those registering for skating or hockey must have a season's ticket. Skating lessons are \$3 for the season. This year Alberta Recreational Skating Association tests will be offered at the end of the season. A special figure skating class for boys only, will be offered. A ladies skate for fun group will be held one day a week at the same time as the children are in play-school. This is open to non-skaters as well as those of undetermined ability. The charge is \$3 and all participants must have a season's ticket. Everyone will be contacted as soon as ice conditions permit lessons to begin.

Late registrations for hockey are being accepted by Doreen Hewitt at 298-3581. A coach for the peewees is still needed. Coaches for the other clubs are: midget - Mr. Ingles; bantams - Bryan Critchley and Hughie Allen; mites - Joe Webber; mini-mites - Clarence Johnson, John West and Don McKay.

New neighbors? Please pass along news of community activities to yours. News you'd like to see in the paper? Please contact me at 298-3541, not later than Sunday, preferably earlier.

The bingo jackpot is now \$65 with 59 numbers to be called. Make a date for Sundays at 7 in the B.A. Community Centre. All proceeds go towards community activities.

This message appeared on a warehouse wall some time ago: "The way to do is to be."

Clapp-Wood Wedding

By Norma Crozier

The wedding service uniting Lois Clapp, youngest daughter of Mr. and Mrs. Harold Clapp of Namao and Gary Wood, son of Mr. and Mrs. Charlie Wood of Pith Valley was performed in Namao United Church on Oct. 20 by Rev. Harold Black. Soloist, Mr. Ron Nelsen, was accompanied on the organ by Mrs. Dick Hansen. Ushers were Mr. Keith Reed and Mr. Don Purdy, Jr.

The radiant bride looked lovely in her sleeveless floor length white peau-de-soi gown, featuring a mandarin collar, topped by a long sleeved coat with a train. She carried a miniature cascade of orange roses. Bridal attendants were Mrs. Bob May, sister of the bride, and Mrs. George Vaughn, sister of the groom. They looked lovely in pastel floral chiffon floor length gowns in yellow and blue. They carried bouquets of yellow mums with blue baby's breath.

The church was decorated in a harvest theme with autumn floral arrangements and miniature sheaves as pew markers.

Attending the groom were

Mr. George Vaughn and Mr. Dave Damery.

For her daughter's wedding, Mrs. Clapp chose a navy fortrel dress trimmed with red and white accented by her corsage of red and white carnations. Mother of the groom wore a floor length teal blue gown with a corsage of pink and white carnations.

Guests enjoyed a reception at the St. Albert Community Hall. Master of ceremonies for the evening was

Mr. Ed Mulford, cousin of the groom. Following the reception a large crowd enjoyed the wedding dance.

For going away the bride changed to an attractive brown tweed skirt, sweater and vest ensemble.

The happy couple travelled to the mountains for their honeymoon and are now residing at Hawthorne Hill, Namao.

Out of town guests were from 100-Mile House, B.C., and several Alberta points.

Ray & Cecile Como mark 25 wedding anniversary

The 25th wedding anniversary celebration for Ray and Cecile Como, held Friday evening at Riviere Qui Barre, saw a large crowd of family members and friends gather to congratulate the popular couple and wish them future health and happiness.

Taking their place at the head table in the recreation centre were Barry and Almee Flynn, daughter of the honoured couple; Armande Henderson, Cecile's sister, and her husband Tom; master of ceremonies Robert Como and his wife Connie, Ray's mother, Mrs. Eva Como, Mrs. Lepin, Roy Como, best man 25 years ago and his wife Emma, Cecile's mother, Mrs. Jeanette Sylvestre, and Raymond and Cecile.

A telegram was read by the emcee from Cecile's bridesmaid in 1948, her sister Mrs. Terry Nash and Tom Nash from Agincourt, Ontario.

Daughter Almee Flynn welcomed the guests, saying it was nice to see so many here - "since I wasn't here 25 years ago. Mom and dad didn't have too many children, but at least they had me," she concluded, drawing loud applause. Almee is the only child of Ray and Cecile.

Raymond said he didn't know "what we have done to deserve all this - all these faces we know so well and grew up with." After saying he was nervous about making speeches, Ray went on to break the crowd up with his special brand of humor, but concluded in serious vein, saying what a warm feeling the occasion gave them deep inside, and thanking everyone for coming.

Cecile added her appreciation, thanking her daughter, her sister Cec and everyone who helped with the arrangements for the evening. Cec Mitchell baked and decorated the wedding cake.

Ralph Sylvestre, Cecile's brother, on behalf of all her brothers and sisters (14) expressed their appreciation of Cecile, and said that every family should have a brother-in-law like Ray Como.

The 'Anniversary Song' was done beautifully by Victor Donzuch, a cousin of Ray, and Trudy Kozachuk sang "If you were the only girl," and "Red Roses for a Blue Lady." "I didn't know we had a Kate Smith in our midst," commented the emcee.

Then it was the silver

groom's turn - and he put on a real act with April Showers, (done 25 years ago on November 10 as well), and the Green Green Grass of Home - with a couple of funny stories and quips thrown in. Cecile concluded the program with "Always" and then a purse and gifts were presented to the couple.

Dancing continued till past midnight, when a delicious wedding supper was served. Out of town guests included two of Cecile's sisters, Claudette Sylvestre and Jeanette Heinrich of Vancouver, Sister Pauline Kaziechko and her husband and family from Mannville, Mr. and Mrs. Cliff Stevens of Ponoka, Cecile's brother Ralph Sylvestre and his wife from Fort McMurray, and Mr. and Mrs. George Comeau from Drayton Valley.

ALL RESIDENTS OF VILLENUEVE AND DISTRICT ARE URGED TO ATTEND A GENERAL COMMUNITY MEETING ON NOV. 18 AT 8 P.M. IN THE HALL, FOR A DISCUSSION ON NEW SKATING FACILITIES.

'Suppose we get a good meal under your belt first and then we'll talk about it.'

District pioneer dies at 75

Mr. Angus L. McGillis, a pioneer of Ray district passed away on October 27.

He was born January 25, 1898 in Alexandria, Minnesota and came with his parents, one brother and four sisters to Alberta in 1902. His father purchased the Ray Hotel, where the family made their home until 1909, when they moved onto the farm.

Angus married Ellen Stevens on November 5, 1929 and the couple settled on the farm, where they raised two children, Kenneth of Riviere Qui Barre, and Marlon (Skakun) of Sherwood Park.

Mr. McGillis played an active role in community affairs. He was a member of Ray School Board, and a board member when the Sturgeon School Division

was formed in 1939, a position he held until he resigned in November, 1944. Angus was one of the organizers and first shareholder in the Morinville Seed Cleaning Plant. He also took interest and played a part in political affairs, and lent his support to many community projects and events over the years.

Prayers were said Oct. 28 in St. Emerence Church, Riviere Qui Barre. Mass was consecrated by Father J. Cunningham and Father F. Otferson, a nephew of Mrs. McGillis, in a crowded church.

Funeral mass October 29 was celebrated by Father A. A. McRae, assisted by Father Walter Fitzgerald and Father Donald McDonald. Pallbearers were nephews, Jack Stevens, Jack McRae,

Stuart McDonald, John McGillis, John F. McRae and Angus McDonald.

Sturgeon Valley 4H

By Betty Kushak

The second meeting of the Sturgeon Valley 4H Dairy Club was held at the Briggs' farm. Bradley Qwek said the pledge. The roll call was taken and the minutes were read from the previous meeting. A discussion took place on making of rope halters. These are to be made at the Feb. 5 meeting.

The members pulled each other's names for Christmas gifts. A meeting followed by a Christmas party is to be held at Betty Kushak's home on Dec. 4.

Pat Briggs, Alan Briggs, Chris Nickelsen and David Qwek gave talks and showed pictures from camps and trips held last summer. Everybody enjoyed this very much. A delicious lunch was served by Mrs. Briggs.

Villeneuve Report

by Marg Borle

The annual fall smorgas-borg was well supported by our neighboring parishes. A large crowd partook of the sweet and sour, cabbage rolls, meat balls, turkey etc. and then joined in the family dancing. The music was very ably supplied by Gerald Soetaert, Reni Soetaert, Gib Soetaert, Elaine Soetaert, and Harold Klak. Congratulations to Kathy Lema on her conensorship of a very successful supper.

Congratulations to Paul and Joan Bokenfohr on the birth of Monica Marie, a sister for Bonnie.

Mr. and Mrs. Walter Henderson and twins, Julie and Jeanette spent a week recently visiting Mrs. Henderson's father, brothers and sisters in the Villeneuve, St. Albert and Westlock area. Mrs. Henderson is the former Yvonne Borle. The Hendersons are presently living in Campbell River, B.C.

Mr. and Mrs. Charles Victor returned on Oct. 24 from a holiday in Regina and Toronto. They had a very uneventful take-off from the C.N. where they were passengers on the train involved with the train-truck accident. Undaunted they caught the next train for Regina. They arrived just in time for the christening of "David" the new son of Bruce and Judy Victor. Then they continued on their journey to Toronto to visit their son Douglas and family. Mr. and Mrs. Victor report a very fine flight home from Toronto in only three and one-half hours.

A large turnout attended the defensive driver course being offered by the Sturgeon Recreational Association. These courses are held on Thursday evenings in the Community Hall.

A very impressive baptismal service was held for the christening of Grant Patrick Renaud. Father Cunningham celebrated the mass. Mrs. Pat Sheehan was organist accompanying the very appropriate songs chosen by Gerald Soetaert and the Sheehan sisters. Emilie and Florence Soetaert, Grant's uncle and aunt were godparents. A family dinner followed by open house was held at Mr. and Mrs. Renaud's home in honor of the occasion.

Mr. and Mrs. Albert Soetaert have motored for two week holiday to Vancouver. They will be guests of Al and Pauline Balachay.

Mr. and Mrs. Ed Savole and family and Mr. and Mrs. Simon Outmet were presented with crystal decanters at the hallows'en fest where they were guests of honor. Both families, long time residents of Villeneuve, have moved to St. Albert. Both families recalled their long residence in Villeneuve and thanked their long-time friends and neighbors for their good wishes.

Newcomers were also welcomed. The new residents on the former Simon Outmet farm are Mr. and Mrs. Kelly and family. The former business of Mr. Savole has now been taken over by Mr. and Mrs. Ferlund.

Dr. and Mrs. Heaton present residents of the former A. Lema farm were also welcomed.

Mrs. Claire Kremer, Mrs. Pat Sheehan and Mrs. Andre Borle spent a very pleasant afternoon visiting Juliette Lema at her new home in St. Albert.

A goodly number of Villeneuve residents attended the Borle-Perrotta wedding in Grande Prairie on Thanksgiving weekend. Jo-Anne Borle, daughter of Mr. and Mrs. Walter Borle became the bride of Andrew Perrotta. Among those attending were Mr. and Mrs. Albert Lesburg, Julie and Oscar, Mr. and Mrs. Aurele Duracher, Valier and Jocelyne, Mr. and Mrs. Pat Sheehan, Diane and Colleen, Mr. and Mrs. Andre Borle and David.

Mr. and Mrs. Aurele Duracher and Mrs. Andre Borle visited at the Prosper Hebert home in Donnelly on the trip home from Grande Prairie.

Uniform to discuss land use in Sturgeon

"Land Use - The Future of Sturgeon" will be the subject of guest speaker Mr. Walter Van de Walle at the district 52 Uniform meeting to be held on Monday, Nov. 26 at 8 p.m. in the Namao Community Hall.

Mr. Van de Walle, reeve of the M.D. of Sturgeon, will outline the "General Plan" for the development of the municipality and discuss the policy of the municipal council in implementing this plan. As the pressure of urban expansion increases, so does the need for planning to protect the long term public interest without sacrific-

ing the needs of the individual land owner. This meeting will give farmers a chance to express their views to those who must do this planning, said Mr. John Cockock, District 52 Chairman.

The annual Uniform Convention will be held December 11 - 14 at the Hotel Macdonald in Edmonton. Because of an increase in district 52 Uniform membership in the 1972-73 year over the previous year, the district will send seven delegates to the convention, compared with six last year. These delegates will be elected at the November 26 meeting.

Bette Smithson receives a service pin for her work with the Ladies Auxiliary to the Sturgeon General Hospital from Administrator Cliff Keyes. Catching sight of the photographer preparing for a shot, Bette was protesting vigorously, but to no avail, resulting in the wide smiles as Mr. Keyes kidded her about it. The presentation was made at the Auxiliary annual meeting Monday evening, as the Smithsons will be making their home in Lethbridge.

REPORT FROM PARLIAMENT

By Dan Hollands,
M.P. Pembina

Parliament has passed the government bill to extend the partial ban on capital punishment for another five years. The Bill carried by a margin of only 13 votes, indicating clearly that there was not overwhelming support in the House for the government measure.

Most Conservative members in the House fought to have the Bill strengthened to include the death penalty for all murders, especially in cases when murder could be proved to be premeditated, or resulting from a crime with violence. Seventy-two of the 95 Conservative members who were in the House for the vote cast their votes against the Bill.

As it now stands, and for the next five years, the death penalty can only be imposed for murder of a policeman or prison guard, killed while on duty. Other murders call for life imprisonment, with parole possible after 10 years have been served in prison.

Many of my colleagues share my view that this issue should have been settled at this particular time, instead of voting to extend the present law for another five years. In 1967, when the present law was approved by Parliament, it was clearly stated at the time that the House would review the law on the basis of data accumulated over the five year test ban. Permanent legislation was to have been tabled last year.

However, during the five year period, every single death sentence imposed by the courts for murders of policemen was commuted by the cabinet to life imprisonment. Some of those whose sentences were commuted have been released from prison, or have escaped custody and have murdered again. Even in those cases the death penalty was not carried out,

making a mockery of the law.

The very nature of the Bill is repugnant to me. It specifies that the murder of a policeman or prison guard is more heinous than the murder of another person, such as you or me. While I would endorse drastic measures to assist the police in their fight against violent crime, this is not the answer. The best weapon that we can give to the police is to exact the supreme penalty for all murders.

The present law is selective, in respect to the importance of the lives of Canadians. I don't believe that we have a right to say whose life is important for the purposes of establishing penalties, and whose life is not important. The best law in the land will not be effective in halting the rise in violent crime, however, unless the law is administered in the interests of the people.

Anyone who contemplates the murder of a policeman knows in advance that, even if the death sentence is imposed on conviction, the Cabinet will very likely commute the sentence to life imprisonment. Among other things, this policy leads to contempt for the law, and for law-makers. We have seen a general breakdown in the past few years in respect for law and order, and this trend is the direct result of laxness in the administration of our laws, and the coddling of criminals.

I have said before, and I say now, that our concern should be directed towards the interests of the law-abiding citizens of our country. It appears to me at times as though we have become more concerned about the life of a convicted murderer than we are about the lives of the victims.

It remains to be seen now whether the government will allow death sentences to stand for convicted murderers or policemen, in the future.

Aid Service Can Help

AID SERVICE in Edmonton processes a wide range of service calls over their telephone hot line at 429-6227. The most frequent appeals made over the line are: "I just arrived in the city and I feel lost."

"I'm a working mother and would like to know if there's a Day Care service in my neighborhood?"

"I need some legal advice but I can't afford a lawyer."

"Where do I go to apply for social assistance?"

These are some of the questions asked of AID SERVICE every day from 8:30 a.m. to 12:00 midnight, seven days a week. Then there's the DISTRESS LINE 423-3171 which is a listening service for those in emotional distress.

For more information about AID SERVICE call - 429-6227.

The students had a holiday last Friday, but the teachers of both school districts in St. Albert were busy bonding up at a one-day in-service training institute. This group were dealing with Outdoor Education in one of the classroom sessions at Paul Kane School Friday. An evaluation report will be prepared later on the institute.

W.I. celebrates 27th birthday

The St. Albert Women's Institute recently celebrated the 27th birthday of their group at the home of Mrs. Andre Rouault. A supper of Chinese food was served for 34 members and seven guests. Following the supper a short business meeting was held.

A motion was made to buy and lay a wreath on Remembrance Day. Mrs. M. Dalman reported on the W.I.'s proposal for setting up a senior citizens centre which was presented recently at the RCMP Centennial Grant Committee meeting. A motion was passed stating that support of the senior citizens centre will be the main project for the WI during

the coming year.

A request from the arts and crafts guild was received regarding fabric remnants which could be used for children's projects.

Mrs. L. Moore and Mrs. A. Richardson presented reports from the WI Provincial and National conferences which were held in Banff this summer. Highlights of the conferences were reported and both ladies agreed that they had made many friends and that everyone had an enjoyable week in Banff.

Candles from the Mental Health Association will be available for all members at the November meeting. Contributions to the Kin-

ette food hampers are the roll call for the next meeting which will be on Nov. 27 at the home of Mrs. L. Moore at 116 Grosvenor Blvd.

The first president of the Canadian Forestry Association was Sir Henri Joly de Lotbiniere.
